

**Job Title:** AutoCAD Technician/Drafter

**Location:** Miami, FL (Local Candidates/In-office position only)

**Position Overview:**

We are seeking a skilled and detail-oriented 2D AutoCAD Technician for aquatic facilities, including pools, spas, water features, and mechanical systems to join our growing team. This role focuses on producing high-quality technical drawings and supporting our designers and project managers in bringing luxury pool concepts to life.

**Local candidates only:**

Applicants must currently reside in the Miami area and be available for in-office collaboration.

**Key Responsibilities:**

- Prepare detailed AutoCAD drawings for custom pool designs and outdoor structures
- Translate conceptual designs into technical construction documents
- Revise drawings based on client feedback, site conditions, and engineering requirements
- Collaborate with designers, architects, and project managers
- Maintain organized drawing files and documentation
- Ensure accuracy, compliance with local codes, and adherence to company standards

**Qualifications:**

- Proficiency in AutoCAD (required); experience with SketchUp, Rhino, or Revit is a plus 3+ years of experience in CAD drafting (architecture, landscape, or pool design preferred)
- Strong attention to detail and ability to produce precise technical drawings
- Understanding of construction documentation and basic engineering principles
- Ability to manage multiple projects and meet deadlines
- Strong communication and teamwork skills

**Preferred Experience:**

- Experience in luxury residential design or outdoor living projects
- Familiarity with South Florida building codes and permitting processes
- Knowledge of pool systems, grading, or hardscape design

**Compensation & Benefits:**

- Competitive salary based on experience
- Opportunity to work on high-end, visually impactful projects
- Collaborative, design-focused work environment
- Career growth within a specialized luxury niche

**How to Apply:**

Please submit your resume along with a portfolio of sample CAD drawings showcasing your work.
